

The Franco-German Youth Office in cooperation with the Regional Youth Cooperation Office, crossborder factory, the Youth Initiative for Human Rights Serbia, People et culture, Une Terre Culturelle, Pangera e.V. and Pulse of Europe Toulouse are pleased to announce our upcoming programme. This event is organized on the occasion of the 20th anniversary of the Southeast Europe Initiative of the Franco-German Youth Office.

Re-boot Europe! Conference by young citizens on the future of Europe

An exceptional opportunity to engage with Youth from Albania, Bosnia and Herzegovina, Croatia, France, Germany, Kosovo*, Montenegro, North Macedonia and Serbia.

The programme consists of a series of 2 e-workshops intended for youth who are citizens or residents of Albania, Bosnia and Herzegovina, Croatia, France, Germany, Kosovo, Montenegro, North Macedonia and Serbia. The programme targets young activists interested in a dialogue and exchange with other young Europeans about the future of Europe.

The e-workshops are scheduled for the following dates:

16 & 17 July 2020 + 20 & 21 July 2020

The interactive online conference will bring together young people from these societies to exchange ideas and experiences through an online platform on which they will be able to communicate, develop questions, share ideas and work on concrete projects on the future shape of Europe in small multilateral groups. Experts and moderators will support the exchanges. Inputs and all results will be shared and published. The following topics will be covered:

1. Reconciliation and dealing with legacies of the past
2. Migration and mobility
3. Solidarity (local, regional, national, European and global level)
4. Climate change, green deal
5. Future of the European Union: internal reforms and developments, enlargement and neighbourhood policy, international / global role
6. Open societies (human rights, civil rights, free media) and nationalist attitudes and authoritarian politics
7. Digitalisation / (social) entrepreneurship
8. Intercultural skills / dealing with complexity

Language: E-Workshops will be held in English.
